RESPONSE TO REQUIREMENT FOR RESTRICTION

SIR:

Applicants hereby **request a one-month extension of time** for responding to the Requirement for Restriction mailed February 13, 2002, for which a one-month response period was set. The extended period expires on April 13, 2002. The Commissioner is authorized to charge payment of the 37 C.F.R. § 1.136(a) extension fee of **\$110**, or any additional required fees, to the deposit account of **Kenyon & Kenyon**, deposit account number **11-0600**.

In the Requirement for Restriction mailed February 13, 2002, Applicants were required to elect one of the following groups of claims:

Group I: claims 1, 3, 5-13, 15-16, 19-21 and 23-31,
relating to a process for the simultaneous production of
xylitol and ethanol from a starting material of
hydrolyzed lignocellulose-containing material; and

Group II: claims 32-34, relating to a process for the simultaneous
production of xylitol and ethanol from a starting material of sulphite
spent liquor.

In response, Applicants elect, with traverse, the invention of Group I, claims 1, 3, 5-13, 15-16, 19-21 and 23-31.

This election is made with traverse because even though the claims of Groups I and II may be considered by the Examiner as patentably distinct from one another, it is believed that the claims are sufficiently related to be properly presented in a single application. Given the commonality of the subject matter here, examination of all the claims should not place a serious burden upon the Examiner.

Respectfully submitted,
